What is the SECC?

The State Employee Charitable Campaign is the only statutorily-authorized workplace campaign for state agency and higher education employees in Texas. Thanks to legislation that created the SECC in 1993, employees of state agencies, junior and community colleges, universities, and retirees throughout Texas enjoy the benefit of giving to many of their favorite charities through an annual workplace giving campaign which features the convenience of payroll deduction.

It’s not hard to understand why employees of the Friendship State have responded enthusiastically to the SECC since 1993:

- Our contributions help improve the quality of life for people in communities locally, across the country, and around the world.
- The annual, statewide campaign supports a variety of vital health and human services.
- It’s an easy, effective and cost-efficient way to give to charities.
- All charities in the campaign must meet strict eligibility criteria.

how does it work?

Each fall, you get the opportunity to learn about the charities in the SECC, choose which ones you want to help, and then fill out a pledge form to indicate how much you wish to donate to which groups. Your gift can be deducted from each paycheck beginning the next calendar year or you can make a one-time gift by cash or check.

The campaign runs annually, September through October. During this time period, you can expect to receive information about this year’s SECC charities and a pledge form. This directory provides information on all the charities in the campaign — a great resource not only for helping you make your choices, but also for finding help if you need it yourself.

what charities are involved?

One of the great benefits of the SECC is the wide variety of charities and causes represented; there is something for everyone. They range in scope from small, local grassroots organizations, to well-known national and international groups. All charities that wish to participate must meet stringent legal requirements and then be scrutinized by committees of state employees to ensure:

- They are recognized by the IRS as 501(c)(3) nonprofit organizations and registered with the Secretary of State.
- They are audited (or reviewed) annually by an accountant in accordance with generally-accepted auditing standards.
- They provide direct or indirect health and human services.
- They spend no more than 25 percent of funds raised on administration.

State of Texas employees have contributed $189.75 MILLION through the SECC since its inception in 1993, providing aid to their family, friends, neighbors, and countless others in need across our state.
who governs and runs the SECC?

Committees of state employees govern the SECC at two levels — statewide and locally. They ensure the campaign is conducted fairly and equitably under a strict set of guidelines that give donors confidence in both the charities that benefit and the methods used to solicit.

At the state level ... A committee of state employees called the State Policy Committee (SPC) provides governance and oversight. Three members are appointed by the Governor and three each by the Lieutenant Governor and the Comptroller of Public Accounts. The SPC is responsible for a campaign plan, a budget, and ensuring the eligibility of statewide organizations. The SPC also hires a State Campaign Manager (SCM) to administer the campaign.

At the local level ... Local employee committees (LECs) provide similar oversight. The SPC appoints the LEC chair and committee, which then recommends a local campaign manager (LCM) to the SPC to administer the campaign locally.

how are funds distributed?

Contributions made by state agency employees are distributed by the State Comptroller to participating federations, who then send the funds along to their members. Each university distributes funds to federations through its own payroll system. At the local level, the Local Campaign Managers distribute the funds the same way.

But because it is almost impossible to account for donations lost through such things as an employee leaving or transferring, a percentage method is used to distribute funds. At the end of each year’s campaign, the percent of funds pledged to each charity is calculated. Each charity then receives that percentage of what is eventually collected. Undesignated pledges are shared with all participating charities using the same percentage.

Each charity also pays its share of the cost of running the campaign (printed materials, etc.) based on the same percentage.

how much should I give?

How much to give is totally up to you; your personal generosity is no one’s business but your own and remains confidential. Still, many of us like to have some idea of what is appropriate to consider as a gift.

FIRST ... Consider giving the average amount of $237 a year, which is a little more than $19 per month.

SECOND ... Consider one of the giving standards used in campaigns like this throughout the nation — one hour’s pay per month, usually calculated as 0.006 of your annual salary.

THIRD ... Consider participating as a leadership giver — one of the many people who like to do a little more by donating at the leadership giving levels described later.

why should I give?

• To support a favorite cause or charity on a regular basis.
• To help family, friends, and neighbors in need.
• It’s the right thing to do.
• It will make you feel great.
• When lots of people give a little, it adds up to a lot!

With a low overhead of 10% statewide, more of your contribution gets to the charities you select than in almost any similar fundraising activity.
**what will my gift provide?**

**$2 PER MONTH for one year:**
- provides a child with complete, basic childhood immunization against six diseases, supporting a healthy start.
- provides vital cancer survivorship information and support to 80 cancer survivors.
- provides seeds for one community or school garden, allowing families to grow nutritious, affordable food for themselves.
- provides prescription glasses for five people in a Third World country.
- covers the cost of planting 100 tree saplings.
- provides meals for a homebound senior citizen for two weeks.

**$5 PER MONTH for one year:**
- sponsors eyes exams for two children in need.
- provides 12 students with an interactive CD on college-age depression and suicide.
- covers the registration fee for one patient or family member to attend the National Organization for Rare Disorders Patient/Family Conference.
- underwrites equipment and supplies for five people to spend a morning cleaning a beach or river bank.

**$10 PER MONTH for one year:**
- underwrites free museum admission for 30 students.
- pays for a veteran’s occupational certification to find employment.
- will help a family in crisis with their monthly utility or grocery bills.
- provides lifesaving medicines to 7,200+ children and families around the world.
- sponsors two local health advocates to attend a National Pesticide Forum and learn the skills needed to make positive changes in the community.
- screens one uninsured woman for breast cancer.

**$20 PER MONTH for one year:**
- provides a full year of groceries for a homebound AIDS patient.
- provides food for one guide dog in advanced training.
- buys six cases of non-latex gloves to keep volunteers safe during beach cleanups.
- supports training in an environmental career for a person with a disability.
- provides scholarship assistance for inner-city children to attend a nature camp.

**$45 PER MONTH for one year:**
- installs a water distribution system to provide a reliable communal tap, delivering safe, clean water to communities in need.
- offers transitional housing to a homeless veteran.
- provides a $500 matching scholarship award for college tuition.
- ensures safety from cholera for 50 people.
- provides two high schools with science curriculum materials about the proper handling of chemicals found in the home.
- furnishes a back brace to prevent further spine curvature to a patient with scoliosis.

**benefits of payroll deduction**

Payroll deduction offers a special opportunity to do more and feel it less.

- You manage your own philanthropy: You know when deductions start, and that you may end them any time.
- It helps to minimize overhead costs while maximizing your contribution.
- It saves time and takes little effort.
- You don’t forget to follow through on your pledge.

**best of all...**

by donating a specific amount from each paycheck, you can make a more significant impact toward the causes about which you feel passionate.

a case for leadership giving

In the midst of every worthwhile endeavor, there are extraordinary individuals whose caring and personal leadership establish a powerful example for others.

Leadership giving through the State Employee Charitable Campaign provides just such an opportunity for those wishing to maximize the impact of their charitable gift.

An SECC leadership gift will provide far-reaching opportunities for your favorite charitable organizations, enabling them to address a wider range of health and human service issues due to your increased generosity.

If you choose to give $1,000 or more, please indicate the appropriate giving level on your pledge form and complete the acknowledgement section.

A leadership gift of $1,000 a year — $83.34 per month or $20.83 a week — can provide:

- Four days of child care in an accredited facility …
- and 32 meals for the elderly …
- and 104 days of parenting classes, teaching effective discipline and conflict management …
- and 20 days of food and shelter for a homeless person …
- and 48 days of a support group for teens having experienced violence or sexual abuse …
- and 48 students receiving assistance in math and sciences …
- and 28 days of mentoring for at-risk youth …
- and 40 acres of land for wildlife habitat or public open space that provides both recreation and cleaner air …
- and 50 children receiving bicycle helmets and cycling instruction to prevent accidents and encourage environmentally-friendly methods of transportation …
- and crisis intervention services to 65 at-risk women and children in violent family situations …
- and art, music or dance therapy for two people with disabilities — for an entire semester!
